D'Alessio Designs at Architectural Digest Home Show—Receives Prestigious Industry Design Recognition From International Property Awards *Award-winning Millwork Designs @White River Hardwoods Booth No. 182*

New York City—The Architectural Digest Home Design Show—March 19-22, 2015. [D'Alessio Inspired Architectural Designs](http://www.BuiltByDAlessio.com), (www.BuiltByDAlessio.com) an international Building Design and Legacy Home Builder provides luxury quality design/build services direct to clients, interior designers and architects. The company will exhibit with design partner [White River Hardwoods](http://www.whiteriver.com/dealer-design-services-partners.shtml) (<http://www.whiteriver.com/dealer-design-services-partners.shtml>) @booth No.182 @The AD Home Design Show March 19-22, 2015, Pier 94—55th Street/12th Avenue, New York City.

D'Alessio bespoke [award-winning](#) design services will inspire your next residential or commercial project—from conceptual design renderings and customized ornamental hardwood moulding millwork profiles to installation.

Inspire Your Next Interior Design Project

Add traditional customized interior architectural millwork design with [White River—embellished hardwood, ornamentally embossed, handcarved woodcarvings, crown and radius mouldings](#). Whether it's restoring a grand hall, building an opulent ballroom or adding that wow factor to a public room, foyer, staircase, library/office/entry ceiling or commercial project.

The Warmth of Wood, The Elegance of Architectural Hardwood Moulding and Woodcarvings—D'Alessio Inspired Architectural Award-winning Designs offer a wider range of bespoke historic, architectural interior millwork in precise period detail, proportion and scale meeting high aesthetic demands: review the gallery here:

More 

D'Alessio's latest award-winning home building design projects will take center stage at The [Architectural Digest Home Design Show](#) four-day event featuring the best in home design from more than 400+ premium luxury home-market brands.

The company received, for the second year in a row, two 'Highly Commended' awards from [The International Property Awards \(IPA\)](#)–<http://propertyawards.net/>). D'Alessio received commendations for *Architecture Design Single Residence* and *Residential Landscape Architecture* juried by seventy-professionals in the global residential and commercial property industry. Read more here <<http://viewer.zmags.com/publication/a9d0d278#/a9d0d278/28>>.

The awards represent a significant achievement for *D'Alessio Inspired Architectural Designs*. The IPA winners' logo is recognized as a symbol of excellence throughout the global property industry. Read more here: <http://www.builtbydalessio.com/downloads/2015-IPA-PressRelease.pdf>.

The company's extensive award-winning expertise in home-design and legacy building provides the latest advanced technologies, innovative materials and sustainable design, utilizing all-natural authentic materials such as [masonry, stone and building granite](#).

“The company blends European artisan-craftsmanship with state-of-the-art 21st century building technology. Timeless and enduring structures are achieved with rich exterior and interior organic details of a by-gone era of architectural building and construction that are luxurious and opulent, yet elegant and sophisticated.”
–Robb Report–
