**D'Alessio a Featured Editorial Contributor to the Prestigious St. James's House Book *Timeless Luxury–Ninety Years of the Rolls-Royce Phantom*, And Just Released by Hi-Design International Publishers–*French Style Villa Book***

New York, NY–May 22, 2015 –[D'Alessio Inspired Architectural Designs](http://www.BuiltByDAlessio.com), ([www.BuiltByDAlessio.com](http://www.BuiltByDAlessio.com)) is an award-winning international legacy home-designer, provides luxury bespoke quality design and build services direct to clients, interior-designers and architects, is honoured to be an editorial contributor to recently released books: [\*Timeless Luxury–Ninety Years of the Phantom\*](#) and [\*French Style Villa\*](#).

The *Timeless Luxury–Ninety Years of the Phantom* is a 192-page hardback publication, exploring the living legacy of the world's most famous marque, Rolls-Royce, along with the impact of one of its most iconic models–The New Phantom. View *Grand Designs–Pride of Place* article about the D'Alessio Company's art of legacy building design, see pages 104-105 here <http://bit.ly/1ImDXII>

The *French Style Villa Book* will appeal to Francophile enthusiasts as well as the casual reader alike discovering the defining elements that comprise authentic French style. The 456 page hardcover book has a preface by the company's president **Andrea D'Alessio, Jr** on page-12. The book also highlights four of the companies projects as well as other world-renowned designers: To view the book click here:

### ***Timeless Luxury***

More than 200 Rolls-Royce Owners' Club (RROC) members and VIP guests joined the London based *St James's House* the publisher of ***Timeless Luxury–Ninety Years of the Phantom***, for a very British afternoon tea and champagne reception book launch at the RROC's 64<sup>th</sup> Annual Meet in Florida. Owners and enthusiasts from across the country gather each year to have the chance to view the finest vintage Rolls-Royce and Bentley motorcars in existence today.

***Timeless Luxury–Ninety Years of the Phantom*** explores the rich history of the marques and extends into areas of art, culture, luxury and travel that resonate with the interests of RROC members and enthusiasts—a world of people, places, and things. The book includes a chapter on *The Art of The Phantom*, that highlights the beautifully illustrated 1925 catalogue of New Phantom models from 1925, entitled *Advance Sketches of New Coachwork*. View the book and the D'Alessio's editorial in Chapter 3—*Grand Designs* titled *Pride of Place* here:

### **French Style**

“*French inspired design beckons grand images of Louis XIV, The Sun King's Baroque styled Versailles palace and its elaborate **jardin à la française** – formal gardens, to the easy comfort and elegance of Provencal French county. The **French Style Villa** book lives up to these expectations,*” states D'Alessio Inspired Architectural Designs' President Mr. D'Alessio

This 456 page coffee-table book **French Style Villa** is published by *Hi-Design International Publishing Company (HK)*, features a preface by Andrea D'Alessio on page-12 and highlights four D'Alessio company projects: *The Cote d'Azur*—pages 62-87; *The Chateau*—pages 36-61, *The Louis XIX*—pages 158-177 and *The Maison de Village*—pages 178-189.

The contributors' illustrations in this book help define elements that comprise authentic French design style.
